

KLION SOFTWARE – TRIAL VERSION INSTALLATION INSTRUCTION

Download and install the software

Please proceed to the download of the installation files from the following link:

<https://www.sisgeo.com/downloads-en/software/category/software-completi.html>

Un-zip the file and run the set-up.exe file

Request the TRIAL licence key

In order to request a temporary trial license key, please send a message to

assistance@sisgeo.com with your full name, company name, e-mail address and phone number. In few time you'll receive the TRIAL license key as a *.txt file.

How to use the trial version

The received trial license file, should be installed in the following root:

C: \ Users \ YOUR_USER \ Documents \ Klion \

The name of the root "Users" and "Documents" may change following the language of your Windows operative system.

Now run KLION software.

Enjoy!
